

REMARKS

This application is submitted as a US National Phase Application of PCT Application No. PCT/IL2004/000034, filed on January 13, 2004.

The present amendments are based on the claims as filed in the international stage.

The amendments are made to place the claims in proper U.S. form and reduce filing costs and include removal of multiple dependencies in claims 4, 6-10, 19, 24, 25, 38-40, 43, 45-49, 53, 55-58, 60 and 61. Claim 62 is new and recites the limitations of claim 4 as dependent on claim 3. The application now contains 62 claims.

An examination of the merits is respectfully awaited.

Respectfully submitted,
